

## Program Information

\* Required

### Acknowledgement of CJCC Approval Requirement\*

All projects are required to obtain approval from their district's CJCC. If you have not received CJCC approval yet, you may still apply for this grant but you will be required to submit a letter of approval from your CJCC before you may accept a Crime Reduction Grant award.

### Acknowledgement of Data-Sharing Requirement \*

The Crime Reduction Grant Act requires that all grant award recipients collect and report data that can be used to evaluate the effectiveness of their grant project (see Section 31-28-4 NMSA 1978). Although the data collected may vary depending on the nature of the grant project, this typically means that grantees must collect and report personally identifying information about grant beneficiaries to the New Mexico Sentencing Commission as a condition of grant funding.

- I understand and acknowledge that my grant project will be required to submit data regarding grant effectiveness, including personally identifying information about grant beneficiaries, to the New Mexico Sentencing Commission.
