

Estimated Number of Individuals Booked into the Bernalillo County Metropolitan Detention Center on Juvenile Warrants

This analysis by New Mexico Sentencing Commission (NMSC) staff is an estimate of the number of bookings on juvenile warrants into the Bernalillo County Metropolitan Detention Center (MDC) from July 1, 2004 through May 31, 2009. The table reports the number of bookings, the percent of total bookings, and the number of juveniles booked for the reporting period for several categories of juveniles.

- Individuals booked into the MDC with a juvenile warrant only
- Individuals booked into the MDC with a juvenile warrant and open charge
- Individuals booked into the MDC with a juvenile warrant and an adult warrant
- Juveniles booked into the MDC

During the reporting period there were 195,977 bookings into the MDC. During the 59 month reporting period there were 447 bookings (383 individuals) into the MDC on a juvenile warrant only. Bookings on juvenile warrants accounted for 0.23% of all bookings. This includes bookings into the MDC on a juvenile

warrant (primarily JR and YR warrants) with no other charges. These individuals did not have a new charge or an adult warrant. Some individuals were booked into the MDC more than one time during the reporting period.

During this same reporting period there were 116 bookings (113 individuals) into the MDC on a juvenile warrant which also had a new charge and there were 184 bookings (166 individuals) into the MDC on a juvenile warrant which also had an adult warrant.

During the reporting period 6 individuals were booked into the MDC who were less than 18 years old. Compared to all bookings this number is extremely small.

This brief analysis indicates that very few individuals are booked into the MDC on juvenile warrants and that extremely rarely are juveniles booked into the MDC.
